

WATCH YOUR KIDNEYS!

They are filters for the blood and need the closest kind of watching. As the blood in its circulation through the body passes through the kidneys, its impurity is left in the kidneys, which in turn empty the secretions into the bladder in the form of urine. If the kidneys become clogged, and a perfect filtration prevented thereby, the result must be one, or complication of two or more, of the following diseases: Rheumatism, Diabetes, Gravel, Congestion of the Kidneys, Inflammation of the Bladder, or the fatal Bright's Disease. Dr. Holtin's Kidney Tablets, a remedy of unquestioned curing powers, is guaranteed to cure any of the foregoing diseases, excepting Bright's disease, which is generally incurable. However, Dr. Holtin's Kidney Tablets have been known to cure even the latter disease in its advanced stage, although we do not guarantee it.

Even Healthy Kidneys

Need Cleaning Now and Then.

The large amount of injurious acids contained in the common American beverages consumed by the average person alone is enough to clog up the kidneys of an entire regiment of our able-bodied soldiers. "An ounce of prevention is worth a pound of cure." One week's uninterrupted treatment with Dr. Holtin's Kidney Tablets taken every three or six months will promote the filtration of the blood, check the over-secretion of urine, and drive all disease germs out of the system. It will prevent any weakness of the kidneys or bladder turning into disease, and will extend the life of the average man ten years.

when so needed. This card of thanks but feebly expresses our gratitude to the officiating minister, Rev. Parker, the comrades, the W. R. C., the U. V. U. Relief, the Sons of Veterans, the L. A. S., the Modern Tonties, the Boral Neighbors and other orders, for the beautiful floral tributes, and also all other friends and neighbors for their presence and assistance, their kind words of sympathy and consolation, "sweet crumbs of comfort" that do much to alleviate our grief in our sad bereavement on the death of our beloved wife, daughter and sister, JAMES N. MISS KEEGAN ENTERTAINS

South Side Whist Club With Mrs. Reynolds.

A merry crowd of U. C. T. ladies were entertained by Mrs. A. W. Mallo and Mrs. W. W. Weeks at the residence of Mrs. Mallo, 407 East Central avenue, on Friday afternoon. The decorations were in yellow and green in honor of St. Patrick. The same colors being carried out in the refreshments and prizes. One of the first things to meet the eyes as one stood in the doorway were the words "Caude Milite Falite," in green letters on the curtains opposite. This inscription it may be recalled, appeared over the entrance to the Irish village at the world's fair, the translation being "A Thousand Welcomes." Whist was the form of amusement for the afternoon. The score cards were painted with sprays of shamrock. Mrs. Fred George and Mrs. McGowan were the prize-winners.

MRS. SUMPTION'S HOME. Mr. and Mrs. G. W. Sumption, J. M. Breidenstein and H. O. Simpson, entertained at the home of Mrs. Sumption, No. 547 South Lawrence avenue, Friday evening. PAWBUSH-HARVEY WEDDINGS. The marriage of Mr. H. B. Pawbush to Miss Lillian Harvey, a notice of which appeared in Thursday morning's Eagle, was a very pleasant social event. The ceremony was by C. H. Wareham, pastor of the First Baptist church, at 7 p. m., March 14, 1900, in the presence of the relatives of the contracting parties, and a few invited guests. Those present were Mr. and Mrs. M. The bride has scarcely known any home but Wichita, coming here as she did in childhood with her parents, who have lived since their coming here at 121 North Hyattsville avenue, where the wedding occurred. The groom is now in the employ of the Missouri Pacific Railroad company. The friends of this newly wedded pair will wish for them the fulfillment of all the bright hopes which are excited in and which linger around their wedding hour.

MR. AND MRS. SMITH. The thirtieth anniversary of the marriage of M. R. Smith and wife of 515 North Emporia was celebrated Friday night. DR. HOSS ENTERTAINMENT. Yesterday afternoon in the mayor's office in the city building was given the regular monthly recital and entertainment of the Western School of Elocution and Oratory. A large audience was present and were delightfully entertained for over an hour. The first number on the program was a very humorous dialogue entitled "The Puzzled Professor." This piece was rendered by Miss Blanche Gackebach and Master Earl Hilber in an able manner, which brought out all the humor in it. Each of those young speakers entered into the spirit of the piece and their effort was well received. "Shamus O'Brien" by Miss Estella Burke was given in an excellent manner. Miss Burke portrayed the different moods in this piece in a way that shows her to possess no little ability. Miss Edna Shaw recited "A Woman's Revenge." This young lady possesses force and grace in an unusual degree. A very interesting recitation was "En-

AN APPEAL FOR HELP ANSWERED.

Clarksville, Tex., J. 30, 1897.

I enclose an Examination Blank and would like to have your advice. I suffer untold misery with Whites and Inflammation of the Womb, with intense itching and soreness. I expect to be confined soon.

Mrs. HATTIE H. LYONS.

TWO MONTHS LATER.

Clarksville, Tex., March 8, 1897.

Allow me to thank you for your kind reply to my letter of January 30th. It would have been answered at once, but I was sick when it arrived. I have a fine baby girl five weeks old. I commenced with the Wine of Cardui at once, and it did me more good than I can ever tell, though I used it only two weeks before my confinement. Always before, I have suffered from eight to twenty-four hours in labor, but this time I didn't think I had any labor at all. I wasn't sick more than two hours, and didn't have time to get the midwife before baby was born. I am still taking the Wine and am getting along nicely.

Mrs. HATTIE H. LYONS.

As I have received quite a number of letters from suffering ladies asking me about my letter of March 8th, 1897, which was printed in the Ladies' Birthdays Almanac for 1899, and also about the merits of Wine of Cardui, I desire to make this statement for the sake of my suffering sex: Every word of the testimonial is true and it was written voluntarily without any solicitation from The Chattanooga Medicine Company. I earnestly advise every suffering woman to try Wine of Cardui, and be convinced of its wonderful merit. I will answer any private letter from any woman desiring to know more of my experience with Wine of Cardui.

gaged," by Miss Clara Jenkins. The humor of the piece was well expressed.

Miss Florence Kay recited Johnny Butler and the Owl" in fine form. Bringing out the humor in the piece in a way that showed she had a clear interpretation of it.

By special request Miss Gail Sutton, who was present, recited "The Charcoal Race." Miss Sutton spoke in her usual style and which would be difficult to im-

prove upon. Her clear enunciation and forceful and graceful gestures showed her thorough elocutionary training. Miss Sutton is a graduate of Professor Howe's school.

Several musical selections were furnished by Miss Laura Siskner's Mandolin and Guitar club, which were well received.

BIRTHDAY PARTY. Mr. and Mrs. R. W. Williams entertained quite a company of young people at their home, 101 South Emporia avenue, last evening in honor of the fifteenth birthday of their daughter Mable.
